EMERGENCY CLOSING OF SCHOOLS

The safety of our students is the primary concern in any school closing. Occasionally conditions allow the decision to be made well in advance of the next school day, but usually the decision is made early in the morning. When possible, a delayed opening of schools will be arranged. As soon as an emergency closing or delayed opening is determined, the information is posted on the district website, district Facebook page, and shared with radio and television stations. The district’s automated calling system will also be activated to notify parents, students, and staff of school closing. **Please make sure the school office has your current phone number.**
