Dear Owosso Families:

I am reaching out to share important dates for the **2021-2022** Owosso Public Schools' calendar. Now that our construction projects are drawing to a close, **Owosso Public Schools will start school before Labor Day** with the rest of the county's school districts.

Please note the following dates for your planning purposes:

- **First Day of School: August 19, 2021**
- **Christmas Break: December 20-31, 2021**
- **Spring Break: March 28, 2022 to April 1, 2022**

There are still portions of the Owosso Public Schools' calendar that will be finalized through contract negotiations with our teachers later this spring. We work collaboratively with our teachers to present a school calendar that is best for students. We will share the comprehensive school calendar when it is complete.

Proud to be a Trojan,

Dr. Andrea Tuttle
